

Secretaries Report

1. I have confirmed with Rebecca Keddy that she can be the medic for the May and June shows. She is looking at seeing if she can get the rest of the show dates off work and be available for us.
2. We got an email from Goldeyes offering a “wide range of experiences”. It sounds like this is for going to a game. I was wondering if they have possible fundraising opportunities. If this is something we think could work out I can reach out to them for more information.
3. Looking for a white board – Does anyone have one that can be donated to MHT or be used for the shows?
