

November Secretaries Report

1. I have reached out to MDS regarding the barn social and have not yet heard back, I will continue to monitor the email inbox for a response.
2. 50/50
 - a. Raised \$185.37 for profits for MHT
 - b. There was a total of \$475 in tickets bought, \$237.50 was transferred to the winner, \$18.88 was paid in stripe processing fees and \$33.25 was paid in rafflebox fees
 - c. The process of setting up the raffle and the lottery licence was a bit tricky, but I am hoping it will go a bit smoother next time we run a raffle as it has been done once already
3. As per previous AGM minutes the Treasurer and President terms are tied together and the Secretary and Vice President terms are tied together, I would like to see the board roles document updated to reflect this so the information is easier to find/confirm when needed. I can make these updates for the 2024 year.
