

MHT Web Communications Committee Report

January 2025

Hello Everyone! It has been an extremely fast month! I'm so happy to be learning about MHT and I can't wait to see how the summer unfolds. It's a privilege to become part of this team, and I'm looking forward to contributing to our shared goals!

I've been very appreciative to have guidance from Judy and Deb, as I have gotten the grand tour around the website.

Judy set up an MHT Communications Team chat, which has been a great resource, and Deb and I worked together on some essentials, like setting up passwords. I'm also incredibly grateful for all the progress Deb has already made on the website—it's been a huge help. I'm excited about the next steps as I continue to settle into this role!

I'm really looking forward to contributing to the team's goals and learning from all of you. If there's ever a chance to collaborate or you need a hand with something, don't hesitate to reach out—I'd love to help.

Thanks for having me, and here's to an exciting future together!

Best,
Melissa
