

July 2025 Secretaries Report

1. Recap of Summer Strides Entries
 - a. 22 entries - this is a fantastic number as historically July has been a quieter month, plus we had to run the same weekend as an MHJA show due to folk fest and park permits. Amazing!
 - i. 1 rider who did 3 dressage tests
 - ii. 2 riders who did 1 dressage test and 2 stadium rounds
 - iii. 18 riders who competed in all 3 phases
2. Summer Strides Scoring Corrections needed, I suggest that we post proper results and send an email to all entries apologizing for the mix up, and that we don't take prizes/ribbons away from people who were given them incorrectly (if people want to return the incorrect ribbons that is okay, but we can't force nor expect people to), however we do ensure we give prizes/ribbons to people who should have gotten them or at least reach out to people to see if they would like the corrected ribbons/prizes

4. Ribbons
- a. We will need to order more strip ribbons, it may be best to order the year end ribbons at the same time and have them all come in at the same time
5. Yearend/Peppercorn - Called and spoke with peppercorn, they weren't able to provide exact pricing until they would know what menu we would like. I believe if i give them a price point they would be able to work with us. They suggested if we did a lunch buffet they could do pizza/salad lunches (approx \$18ish per person) or for dinner buffets (approx \$25ish per person). He also said another option that they find

works well is to have a limited menu, this would have a few options on it and then servers would come and take orders per table.

- a. I would like to send out a survey for people to fill out with feedback for the year end as soon as possible so we can book our venue
