Is it possible to ask members to upload proof of membership when registering for events, so we can be sure they are in good standing when signing up for the events? Since we are sending out membership cards for the first time it would be nice to have an easy way to utilize the cards. Members may not be aware of it, as it is the first year.

I have started folders under the membership file for waivers and photo releases that have been submitted, if you receive or notice any please upload them there.

Board members, please make sure you have purchased your memberships and have everything in order, including:

- waivers
- photo releases
- horse council memberships
