

May 2026 Secretaries Report

1. Bins for deathstar

- a. There is currently an array of mix-matched bins. Some of the lids don't fit properly. They are all different shapes and sizes making them very hard to stack neatly. I suggest MHT purchase bins that are all the same style so that they can stack easily and the deathstar could be much more organize. Ideally these would be bought before the show so that as we are setting up for the show/

2. Review of ribbons

- a. We did a good job of using up most of our ribbon inventory - so much so that we need to order more. Ideally we will order all the ribbons needed for the full year of shows so that we only need to pay shipping once (aside from year end)
- b. Ideas for ribbons
 - i. Astron - C for overall 1-6 for the sanctioned show (\$7.40 each)
 - ii. Nova - C solid for overall 1-6 for the non-sanctioned show (\$4.99 each)
 - iii. Nova - C with white tail for 1-6 top Junior & top dressage for all 3 shows (\$4.99 each)
 - iv. Misty - C for 1st place for individual classes for the non-sanctioned show, flat ribbons for placings 2-6 (\$3.99 each)
 - v. Fun show - if not doing divisions flat ribbons for all classes (65 cents each)
