3. Recap of clothing orders

- a. 9 baseball hats
- b. 3 baseball hats @ board member cost
- c. 5 polos (2 MHT to pay for)
- d. 1 sweater
- e. 1 jacket

* A new clothing order form would be ideal, the one in the drive prints off with boxes that are way too small to write in, we wrote things on the canteen tracker form instead as it had bigger boxes

4. XC requirements - Up until now we had not been confirming MHC memberships for people schooling. I have created a tracker and confirmed all the MHC memberships to date - there have been some people who have schooled who did not have an active MHC membership at the time.

5. Coaching requirements for schooling. There are some coaches who are not licensed/registered with EC and are not registered with the MHC grassroots program, but they carry insurance. If they submit their insurance is that acceptable? Or will we require them to be listed.

6. Radios - I have requested a quote from PrairieMobile Communications for 2-way radios costs. We do not have enough radios to run our events now that our courses are becoming larger.
